natalie

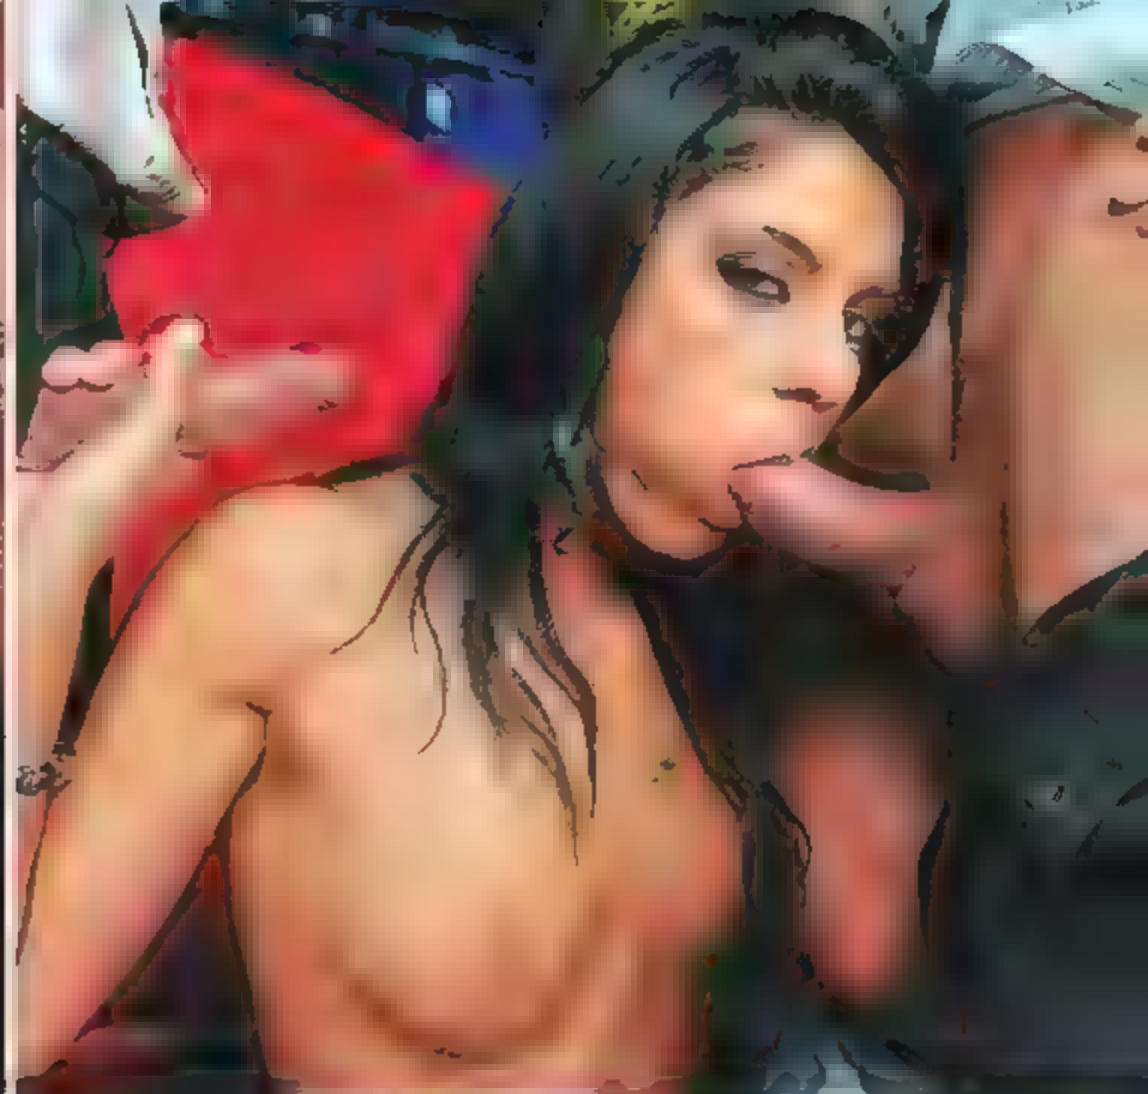

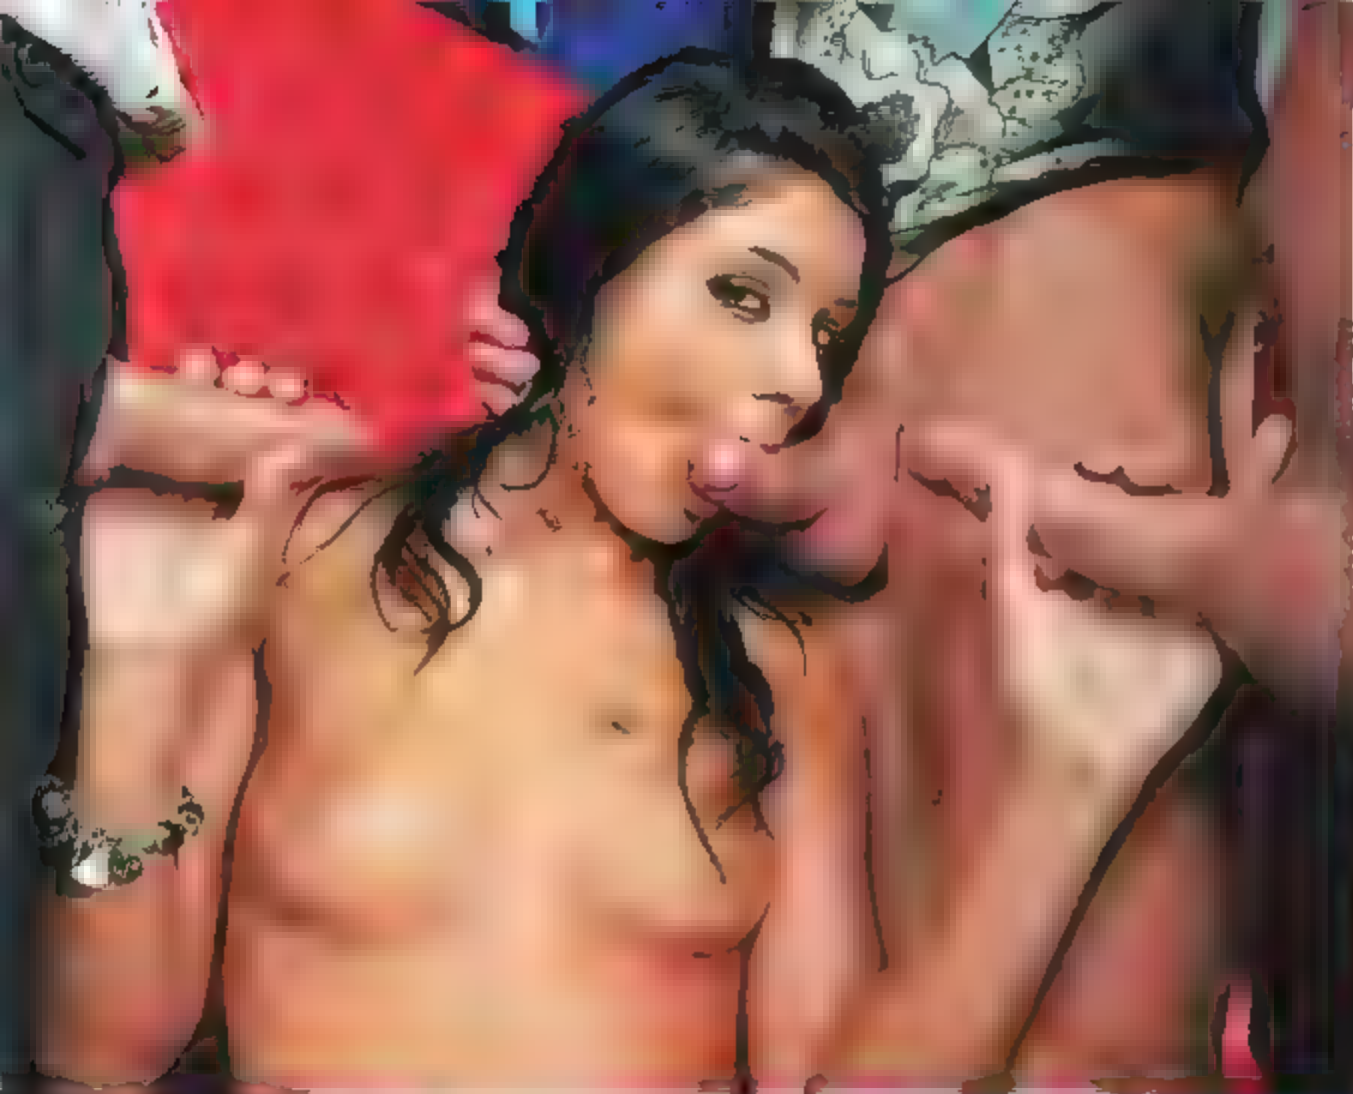

cock gobbler extraordinaire

Photos by *Stubborn Stair*

They say there's no sex in the champagne room, but Natalie's never been one for the rules. In all reality, she's not even a dancer, she was the bartender and dude number one, two, and three had enough cash to "make it rain" and get her to strip down. It didn't take any cash, however, to get her to go down on those three pricks just 'cause she's a self-proclaimed cock slut! Funny how these things work out, eh? Natalie went from cock to cock like a woman possessed with penis and really loved her first-ever triple dicking! And when it was time to have three loads shot, she wanted them to cover her ass, pussy and mouth, respectively. That, my friends, is a true pro! ●

ALANAH RAE

BRIGHT LIGHTS, BIG TITTIES

MISS RAE DISHES ON TITTY FUCKING, SQUIRTING, AND A SOLID PLAN ON HOW YOU CAN BANG HER WHEN SHE'S IN TOWN!

Interview by Kelli R.

Your breasts are sensational! Are they real or enhanced?

My breasts are enhanced. My skin healed very well, but there is still a really faint scar underneath. My boobs are so damn big though that you'd really have to hunt to find the scars.

What is the most requesting thing that people want to do with your big boobs?

They want to fuck them! They will play with them for half a second before rushing to stick their dick between them.

Photos courtesy of
Chris Streams Production's
Bra Busters 2
www.julesjordan.com

Do you get pleasure from titty fucking?

Sometimes, I do. Some men have really bony dicks, and I have a bony chest plate, so if they don't do it correctly, and from the right angle, it feels like bone hitting bone. For the most part though, it feels really good. Even with lubricant, if they jam into me too hard, it kind of hurts.

Do you find that the sensitivity in your breasts has been enhanced since you had your boobs enlarged?

The sensitivity in my breasts stayed the same. I don't find that they are any more or any less sensitive now. Thank goodness.

Aside from your clit, what is the most sensitive part of your body?

My neck is very sensitive. I enjoy being kissed and licked on my neck, if the person is doing it right. If a person handles my neck wrong, it becomes very annoying, since it is so sensitive.

For those people taking notes, what would be an example of a person handling your neck the wrong way?

If a person is slobbering all over my neck like a St. Bernard puppy, that would be considered handling it wrong. That's just nasty.

Have people actually done that to you?

Unfortunately, yes! Some guys just don't really understand what they are supposed to do. I tried to help a few through it though. I thought that would be best. *(Laughs)*

Aside from having sex with gorgeous people, what are some of the others perks about being a porn star?

The job itself is so much fun. I always enjoy going to work. Everybody on set is always nice and playful. I enjoy being around likeminded people, so you are never made to feel awkward. I very rarely experience the same day twice.

I love having sex in public. Any time I find a guy that's not in porn, and who is willing to fuck me outside, I go for it instantly.

What type of clothing makes you feel sexy?

I love casual clothing, like a pair of tight jeans, and a wife beater tank top.

What type of shoes?

I like wearing sneakers or Ugg boots, but am learning to like heels more and more. Heels would look really cute with that style of outfit.

Describe the panties that you are wearing right now.

I am not wearing any panties. I hate panties. I rarely wear them. I only wear them at work because they look cute, but they never stay on for very long.

ALANNAH RAE

INTERVIEW
WITH A
PORN

ALANAH RAE

Are you able to have squirting orgasms?

Yes, I am able to have squirting orgasms but have no idea how guys can make me do it. Some guys can, while other guys try their absolute hardest and nothing happens.

When you have been brought to a squirting orgasm, were fingers, cock, or a toy used?

It's always been with fingers. Somehow, they are able to locate and push some sexy button up there and get the result, whereas other guys can't seem to find it.

Do you like to include food into your sexual play? If so, what types of food do you like?

Honestly, I've never done it in my personal life, but have worked with whipped cream on set. It's fun and playful, until it gets stuck inside of you. Sugar and vaginas do not go very well together.

Are there any misconceptions that people have about you?

No, I wouldn't say so. At least, I haven't heard of any. People usually just comment on my playfulness, which I like. I am very playful. Since I travel a lot, I do seem to encounter fans at airports. They are always extremely respectful of me and do not really care that I am a porn star. They just want to talk with me.

Which male and female performers are able to pull the nasty girl out of you?

It's easier for men to do it. Keiran Lee, Alex Gonz, and pretty much any of the European guys can pull the nasty out of me. They love sex and have a way of making me forget about everything else. With them, I'm put into my own little sexy world. I feed off their energy and they make me feel very dirty.

Is it difficult for the females to pull that same result from you?

Yes, because I'm not naturally as attracted to women as much as I am to men. So, there is always that barrier there. When I think about a girl, I think about shopping and not necessarily sex.

In porn, what type of girls do you find sexy?

I don't really have an exact type of girl. I don't enjoy the divas. So long as they have a cool personality, they could be really sexy to me. I don't have a physical type.

I suck on it hard and I don't just lick it. Cocks are not lollipops. They need friction.

Describe your most spontaneous sexual encounter off screen.

I love having sex in public. Any time I find a guy that's not in porn, and who is willing to fuck me outside, I go for it instantly. I've had sex in bars in front of everybody, in parking lots, behind buildings. It's easy to get away with having sex in nightclubs because all you have to do is pretend like you're dancing.

How would you describe your sexual style?

My sexual style is hard to explain. I don't think too much about things while I'm having sex. Something just takes over my body and I go with it. I just fuck! However it goes, is how I like it. I don't like things planned out. I want the sex to flow.

What would you say you are best at sexually?

I'm good at giving oral and am strong in cowgirl. I'm really good at working my hips.

Now, does that mean you are good at giving oral to men, women, or both?

I'm good at giving oral to men. Honestly, I have no idea what I am doing when I go down on a girl. If it works out for her, I feel as though I've accomplished something awesome. Men are pretty easy to handle. I keep it hard. I keep it wet. And, I keep my hands and mouth moving.

So, are you a ball neglecter?

No, not at all! I know that some women don't like balls, but I can't figure out why. Balls are completely fine. They're just hanging out!

What is your least favorite position?

I don't really like reverse cowgirl because in that position, I feel there is a disconnect. I hate it when I can't see my partner. I'm not going to cum in reverse, so if I'm in that position, it is to please him. Now, if I can't see him, I don't know if I'm doing what he likes. Then, I start thinking about it too much, and the passion is lost.

Please tell us about your starring role in *Supergirl XXX: An Extreme ComiXXX Parody* by Exquisite Films.

I thought that role was very fun and was very happy that they allowed me to play that role. With that said, I think I prefer working in Gonzos rather than features. With Gonzos, I get to go right into the sex, which is what I love. In features, we did a lot of acting, so much so, that it felt as though the sex came secondary to all of the acting. By the time I got to the fun part, everybody was super tired. It was still a lot of fun and was a great experience. I really like sex. Actually, I think I fucked the least than any other performer in that movie. Maybe that's what it was. I didn't like watching other people having the fun that I wanted to be having.

Who turns you on?

I'm turned on more by attitudes than by looks. I can be attracted to somebody one day, and if they act stupid, then I'm immediately turned off.

What turns you off?

Rude people, or people with poor hygiene are a turn off.

Really, how does one get past that?

I don't think there is getting past something like that. For the most part, everybody I've worked with have been extremely clean and fresh. Every once in a while, I'll get a new guy, like a twenty-year-old, who doesn't remember that he needs to shower before coming to work.

How should your porn fans approach you?

Please approach me as you would anyone you meet on the street. If you're acting uncomfortable around me, then it's going to make me feel uncomfortable around you.

Describe the Alanah Rae method of sucking cock.

I don't think I have a method. I get it in and get it wet. And,

I never use teeth. I suck on it hard and I don't just lick it. Cocks are not lollipops. They need friction. Hands help with the friction. Eye contact is also sexy.

Spit or lube?

Spit! For everything! Spit is slipperier and won't ruin fabrics.

Do have any parting words to share with your fans.

I appreciate every one of you. I hope you all continue enjoying my work! ●

cassia, jamie & amy

titty triffecta

If you're a betting man, we'd like to wager that, if given the chance to join these three lesbo babes in their makeout marathon, it would only take about 14 seconds to spew your load on one set of these natural tits. The over is you cumming in one of their hot waiting mouths. The under is you cumming in one of their wet, pink pussies or tight cock hungry assholes. And, let's be honest, if you last less than or more than 14 seconds, the real winner is your cock. For these babes, the bet is always to see who cums first. By the time the fingers, tongues, and toys have made their ways into the numerous sex holes, it's just useless trying to figure out who did what and when. It's best just to enjoy yourself; that's always the best bet. ●

INDIA SUMMER

TANYA TATE

While men seem to reach the peak of their sexual maturity in their late teens and early twenties, it is a widely adopted fact that most women enter into their sexual prime well into their thirties and beyond. What is not so well known are the reasons why. Perhaps the rhythmic beat of their biological clocks ticking in their wombs makes them hungry for hardcore sex, whether they are currently a mother or not. On the other hand, perhaps, it's the overall confidence they've collected over the years that makes them sexually insatiable and highly desirable to the opposite sex. Whatever the case may be, we can all agree that experienced MILFS and kinky cougars are one hot commodity!

More often than not, these cunning cats deliver their men with the best sex of their lives, while their younger counterparts may still need GPS coordinates when successfully locating their G-Spots. Possessing a passion for seasoned sluts with ravenous sexual appetites, director Brother Love has assembled a fantasy lineup of five magnificent mamas in *Pure MILF*, his latest romantic sizzler for Pure Passion. Given a personal invitation to come watch muffs moisten and MILFs maul their men, how could we refuse an offer so primal? In truth, we couldn't and neither should you!

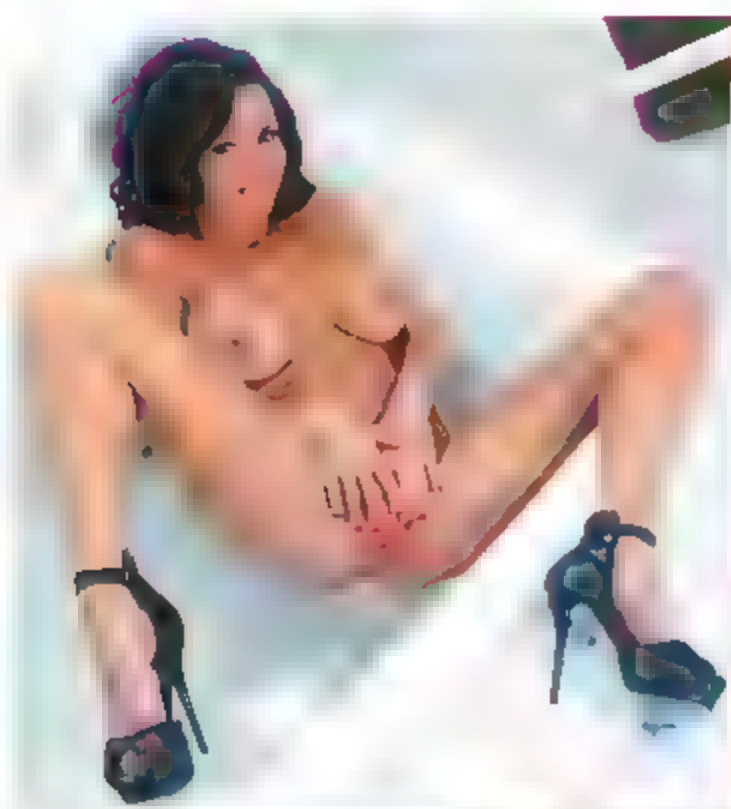

Offering the perfect beginning, Julia Ann, a MILF beyond measure, strolls onto set wearing a white button down shirt, nude stockings and a white garter set. As her luscious blonde curls trail behind her like a lion's mane and her stilettos click against the cool marble floor, Brother Love follows her every move around a glass table. Already having established a love affair with his lens, Julia Ann continues by placing a plethora of glass dildos and butt plugs on a silver platter. Apparently, it's feeding time!

Leaving the frame for a moment, Julia Ann later emerges with Johnny Castle, her meal for the day. With a blindfold around his eyes, Julia leads her man to the head of the table, taking a seat in his lap and filling his face with her humongous hooters. "Hungry," she purrs, sexily unbuttoning her blouse. Although he still can't see a thing, he's keen on allowing his other senses to take control. Once acclimated, he curls his tongue over her fat, American-sized nipples and smashes her breasts together as if they were two tectonic plates.

After both participants are licked to perfection, Johnny leans Julia Ann over the table and grabs handfuls of her ripe ass. "Are you ready to play?" he whispers in her ear, as he simultaneously grabs a bottle of vanilla-scented oil from the platter. With her head flat against the table, she sticks her tongue out and licks the glass right as Johnny begins pouring the warm liquid down her pussy and asshole. After warming her up with a few fingers, Johnny begins stuffing her full of glass toys, rendering her airtight as all three of her holes become occupied.

Now ready to give her a more organic connection, Johnny removes the butt plug from her ass and replaces it with his cock. Howling like a monkey, Julia Ann positively comes to life in this position, as evidenced by a continuous trail of butt broth that slimes her inner thighs and collects on the floor below. It's a fantastically sexual visual!

VERONICA AVLUV

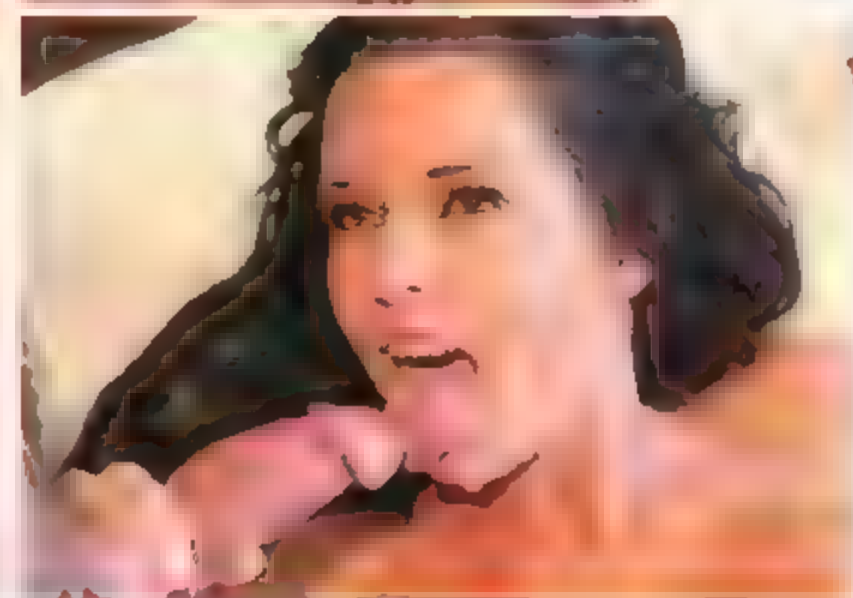

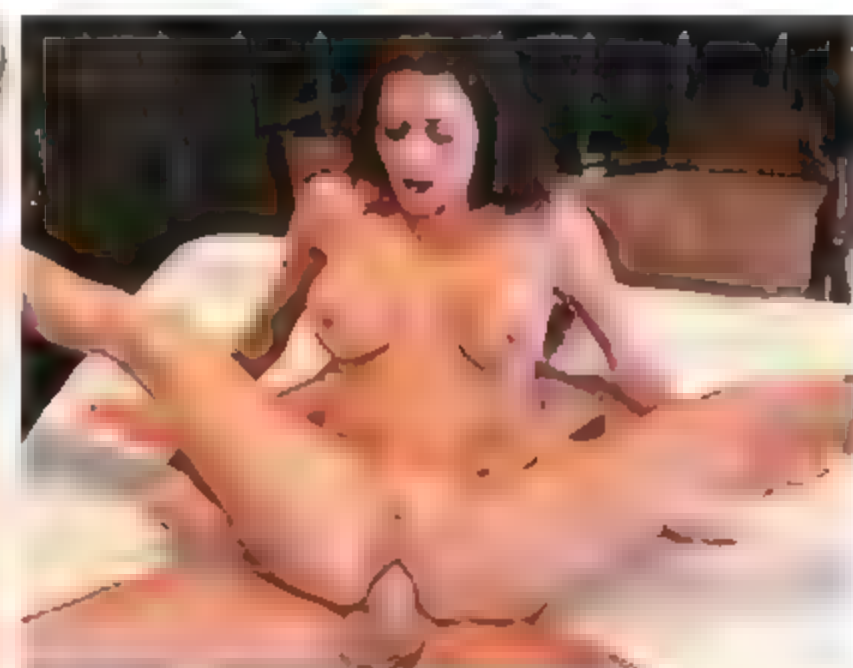

After their scene concludes in a shower of cum, we find Veronica Avluv crawling atop Billy Hart's body like a sexy spider. Beginning at his feet, Veronica fills up her beautiful mouth with his toes, sucking and coiling her tongue around each digit. Now, having garnered his full attention, Billy places his book down and watches Veronica go to work around his arches. Seemingly a bit uneasy about having his toes sucked, at first, Billy soon surrenders to the sensation as his boner begins bulging.

"Enjoy yourself," she purrs, continuing her oral journey up his legs toward his cock. Once there, she pulls up the tight material around his crotch with her teeth before setting his cock and balls free. At this point, Veronica is power plugging his set, curling her tongue around his shaft while implementing the corkscrew method of jerking him off with her hands. It's hot!

Unable to contain himself any longer, Billy utilizes some cool wrestling move on Veronica that leaves her spun around in the sixty-nine position. Feeling a bit more in control of the situation, Billy tears into her veteran vagina as if he was dying of asphyxiation and her vagina contained life-giving oxygen!

Regaining her dominance, Veronica hurdles his lap in reverse cowgirl position and begins riding her stallion as if training him for the Kentucky Derby. After she succumbs to her third cum blast, she unexpectedly leaps from his lap and walks away. Unsure of what is going on, Brother Love keeps his camera on her. She returns a moment later with a lit cigarette and proceeds to blow warm plumes of exhale over his dampened cock and balls. In a weird way, it's the hottest fucking thing I've ever seen. After a few more hits, she continues championing her stead to the finish line, reveling in the mouthful of cum that leaves her weak in the knees. Wow!

AVA ADDAMS

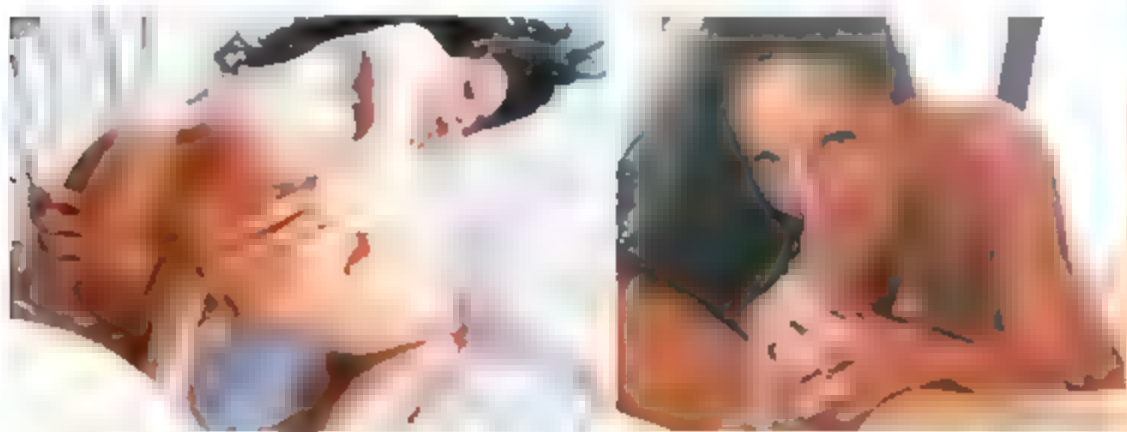

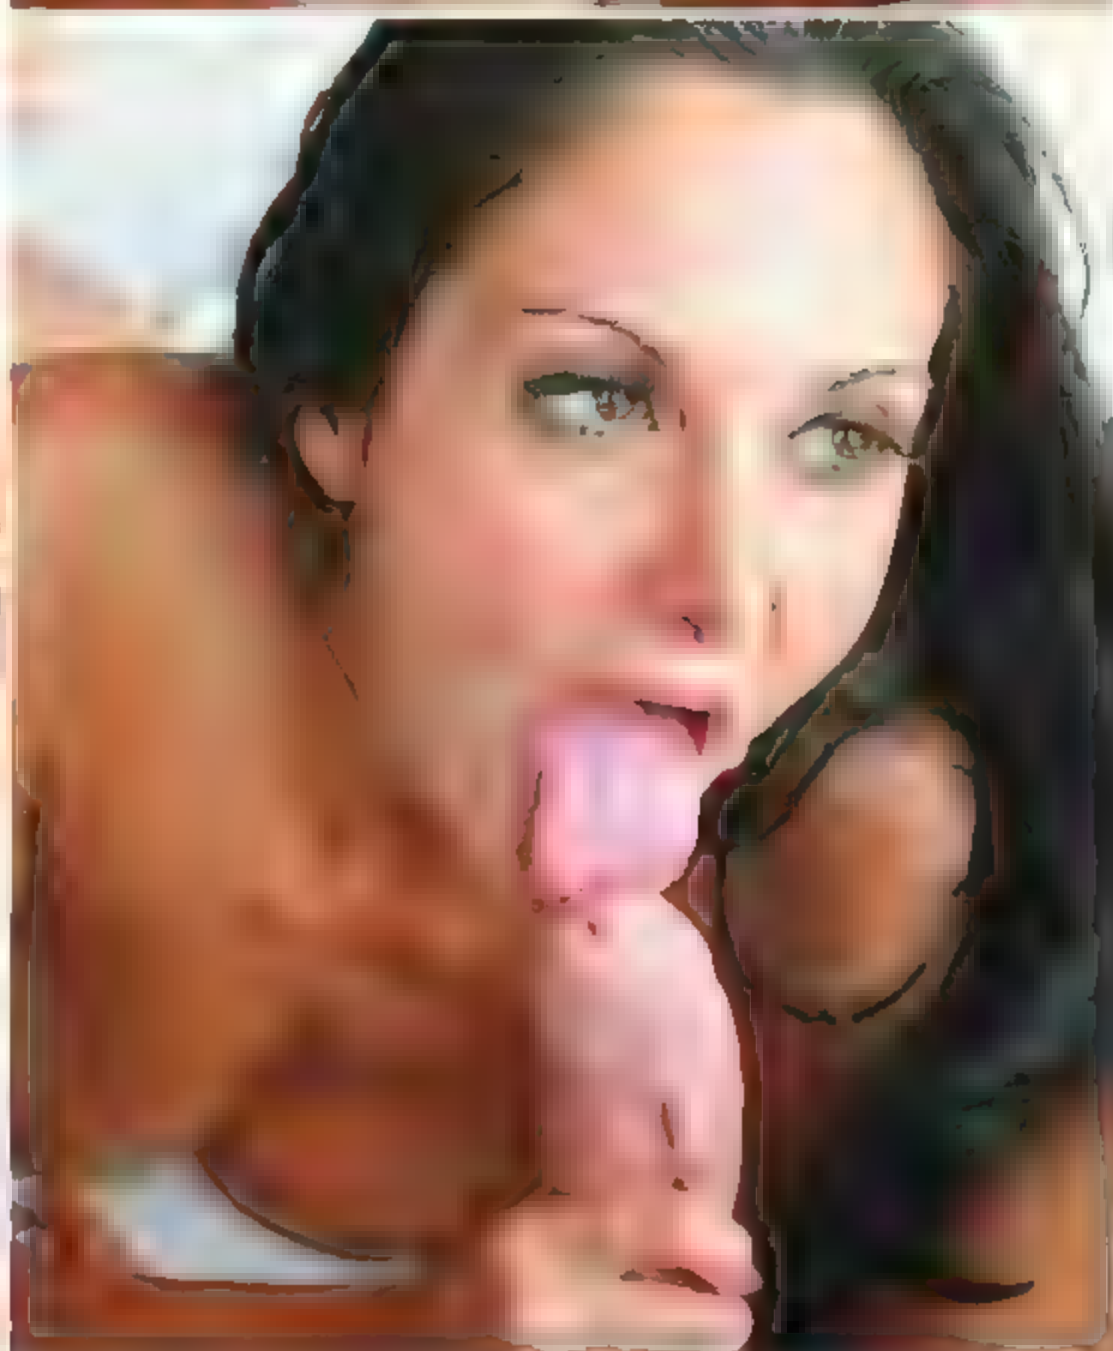

Taking full advantage of the warm, Southern California afternoon, Brother Love and crew arrange their lights and equipment outside, whereby Ava Addams, a MILF with extraordinary tits, is already relaxing herself in the bubbly hot tub. Agreeing that the mere sight of the water cascading over her mega cans is the stuff of legends, he decides that this is where the next scene of the day will commence. A few moments later, Bruce Venture joins the hot mama in the Jacuzzi and the cameras begin to roll.

Rushing through the waves to get a piece of her, Bruce wastes no time. The moment their two hot bodies meet, Bruce yanks her bikini top open and begins gorging himself on her tits like a fat kid chowing down on a double cheeseburger. "Fuck yes!" he mumbles under his breath, later lifting her to the edge of the tub to rim her wet slit with his tongue. After a few moments, his lips begin glistening with splashes of her gooey pussy pulp. Not wanting to waste a single spec of her honey, he smashes his lips against hers, sharing her sugary goodness between them.

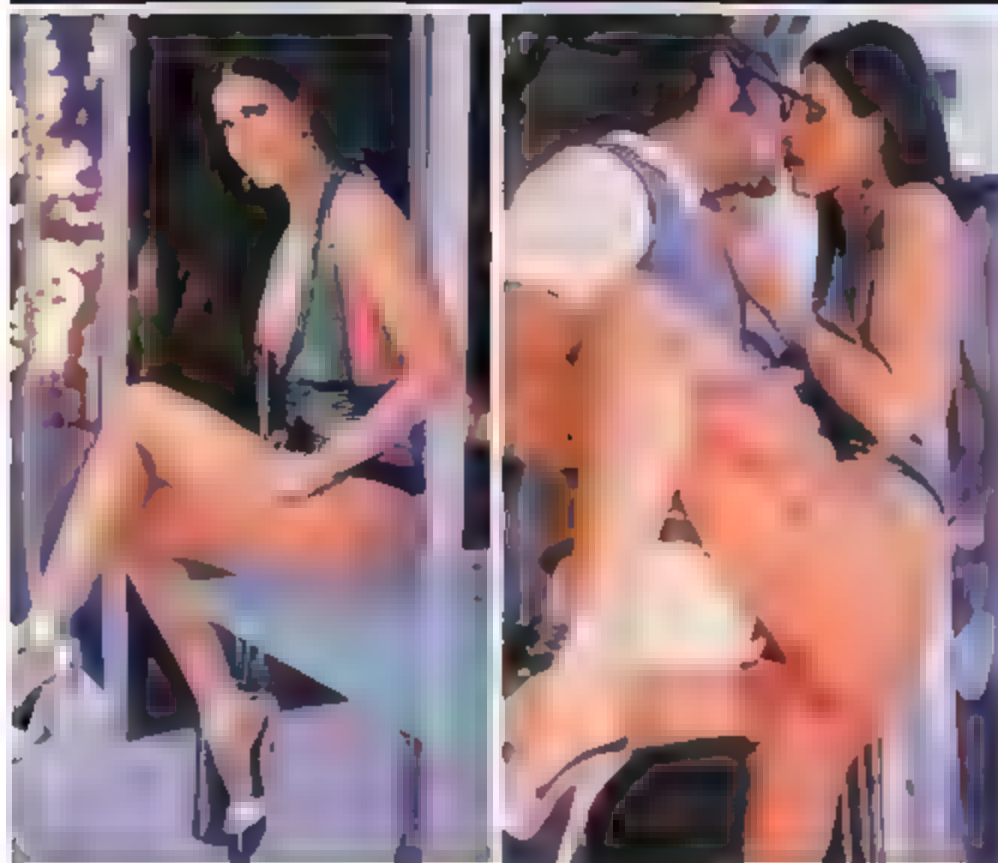

Picking her up, Bruce carries Ava's dripping wet body inside of the house, lying her down on a bed adorned with white linen. With a bank of windows lining the bedroom wall and a wave of natural sunlight pouring in, Ava's body appears to be glowing amidst the illuminated display. The look is ethereal and romantic.

"I'm ready for you," Ava beckons, as Bruce settles himself between her legs. Easing his cock into her waiting pussy, Bruce thrusts his hips in and out of her honey hole, exploring the depths of her vagina with his jumbo-sized dick. Sinking her purple nails into the curve of his hips and hiking her right leg against his shoulder, Ava begs him to pound her harder.

When finished there, Bruce takes pleasure in forking Ava in the spoon position before positioning her on all fours to offer Brother Love's lens a sultry vaginal gape that leaves nothing to the imagination.

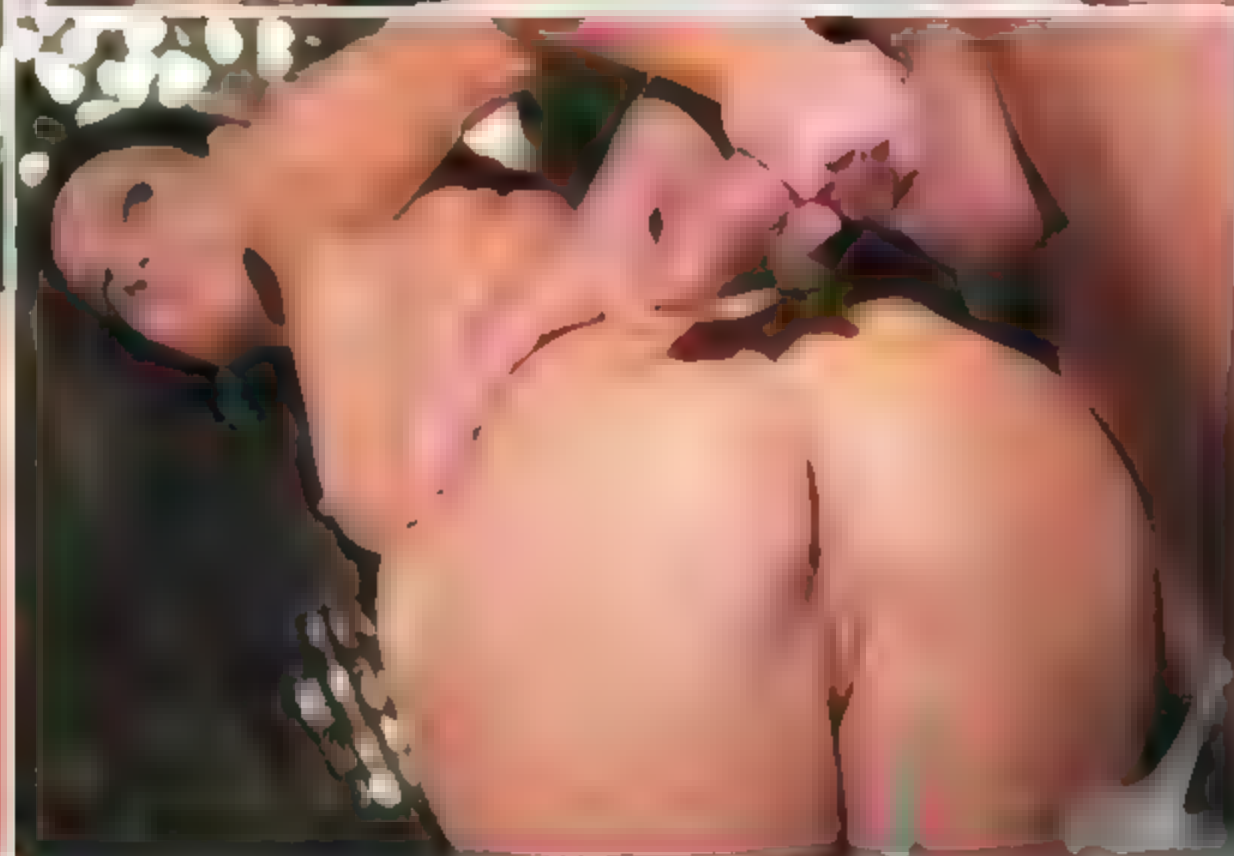

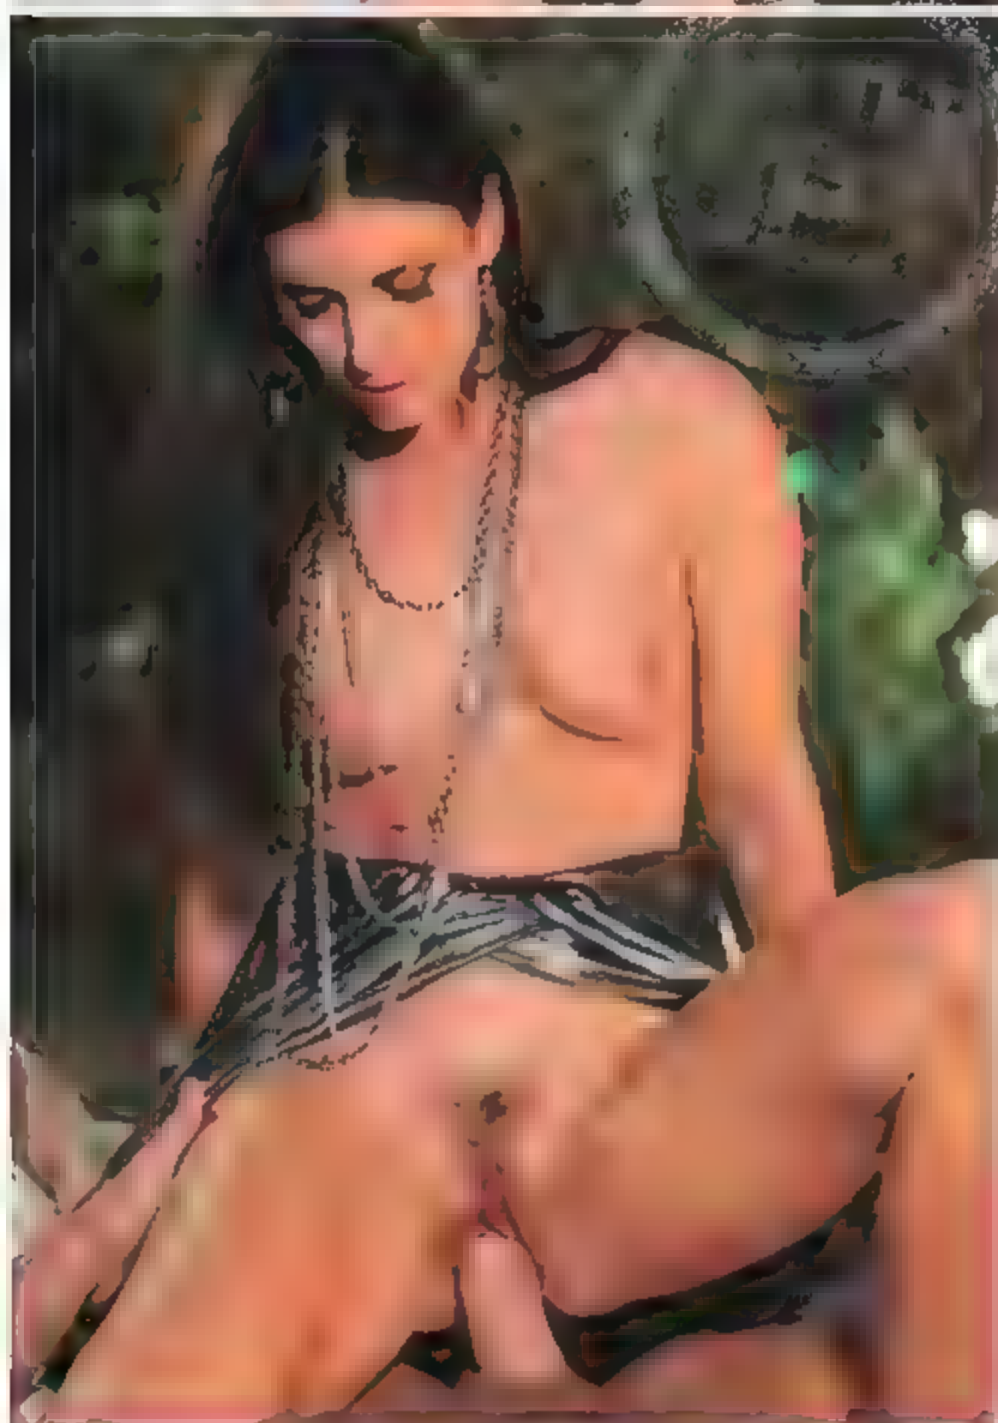

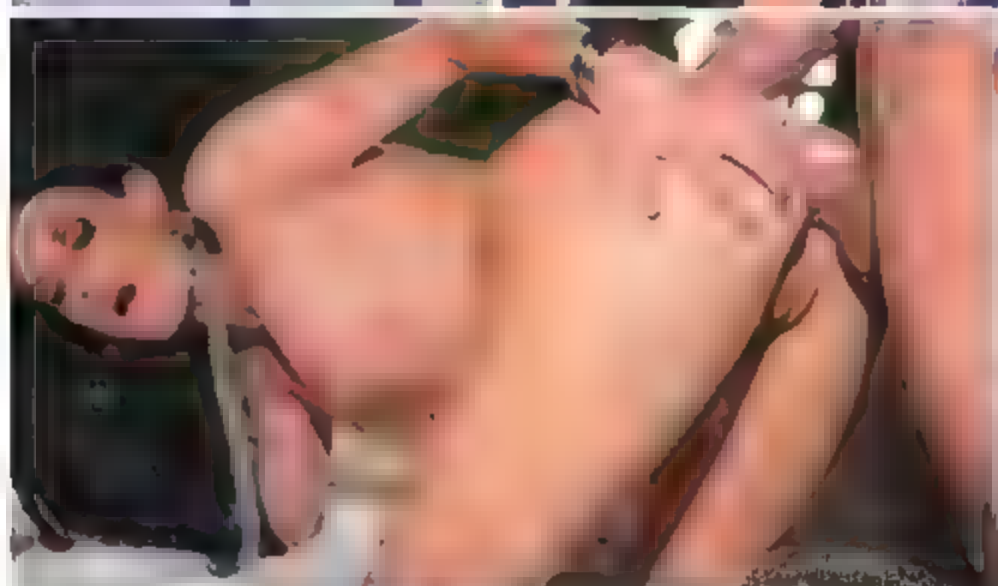

INDIA SUMMER

As the day turns into night, we find India Summer, an ultra glamorous MILF, promenading around the mansion, wearing a silver gown that accentuates the golden tones of her skin. Soon, she opening up a sliding glass door and is inviting Billy Hart into her sexual wonderland. With a bouquet of flowers in one hand and a beautiful necklace in the other, he offers his lovely plenty of romantic gifts. Although his gesture is quite endearing and appreciated by the pretty woman, she's more interesting in the banana he's smuggling in his pants!

Soon, the dynamic duo is dancing under the moonlight right before Billy pushes India against the sliding glass door. Once in place, he kisses his way down her thin body, beginning at her slender lips and ending between her curvy hips. Holding the shiny hem of her dress up, India watches as Billy licks and fingers his way around her curly muff, pulling up tufts of her pussy skin with his teeth. "I know that tastes good," she boasts, grabbing his hand so that she may sample the glaze that is frosting his fingers like vanilla icing.

After more romantic gestures are divvied out, Billy leads India to an outside bed, positioning himself behind her in spoon. Curling her legs into her chest in the fetal position, India winces with delight the moment Billy sinks his anchor into her asshole. "I fucking love it," she smiles, urging him to pump her pucker full of meat. From here, they naturally transition into an anal doggie spread before Billy pulls out and covers her ass with his loving spoonful.

TANYA TATE

As that scene concludes, we're excited to report that Logan Pierce gets his dick wet inside of Tanya Tate in a romantic scenario that is not to be missed. With loads of passion, these two lovebirds explode, with Logan decorating Tanya's face with dabs of his homemade frosting in the end. How sweet.

Ending on a high note, *Pure MILF* delivers a powerhouse of passionate possibilities that is made stronger by a cast of unbelievably gorgeous people. Delicious from end to end, this is one production that deserves to be savored. ●

very happy endings

© 2001 MTV Networks

Massage therapists like Teene are never supposed to get intimate with a client. Of course, with Teene being a smoking hot cum junkie, all bets are off the second the towels come off. Once she got an eyeful of Jamaica's johnson, she couldn't help but get a mouthful. And, since she can't stop at oral, she had to have him in her slit. And, since she had him in her hotpot, she just had to have his boner in her butthole. We were never good at math, but that shit sure adds up correct! We're not sure how Jamaica's sore muscles turned out, but judging by the amount of jizz he spewed after spearing her hot gaping asshole, we'd say he's fine! ♥

C is for carrot cramming cunts

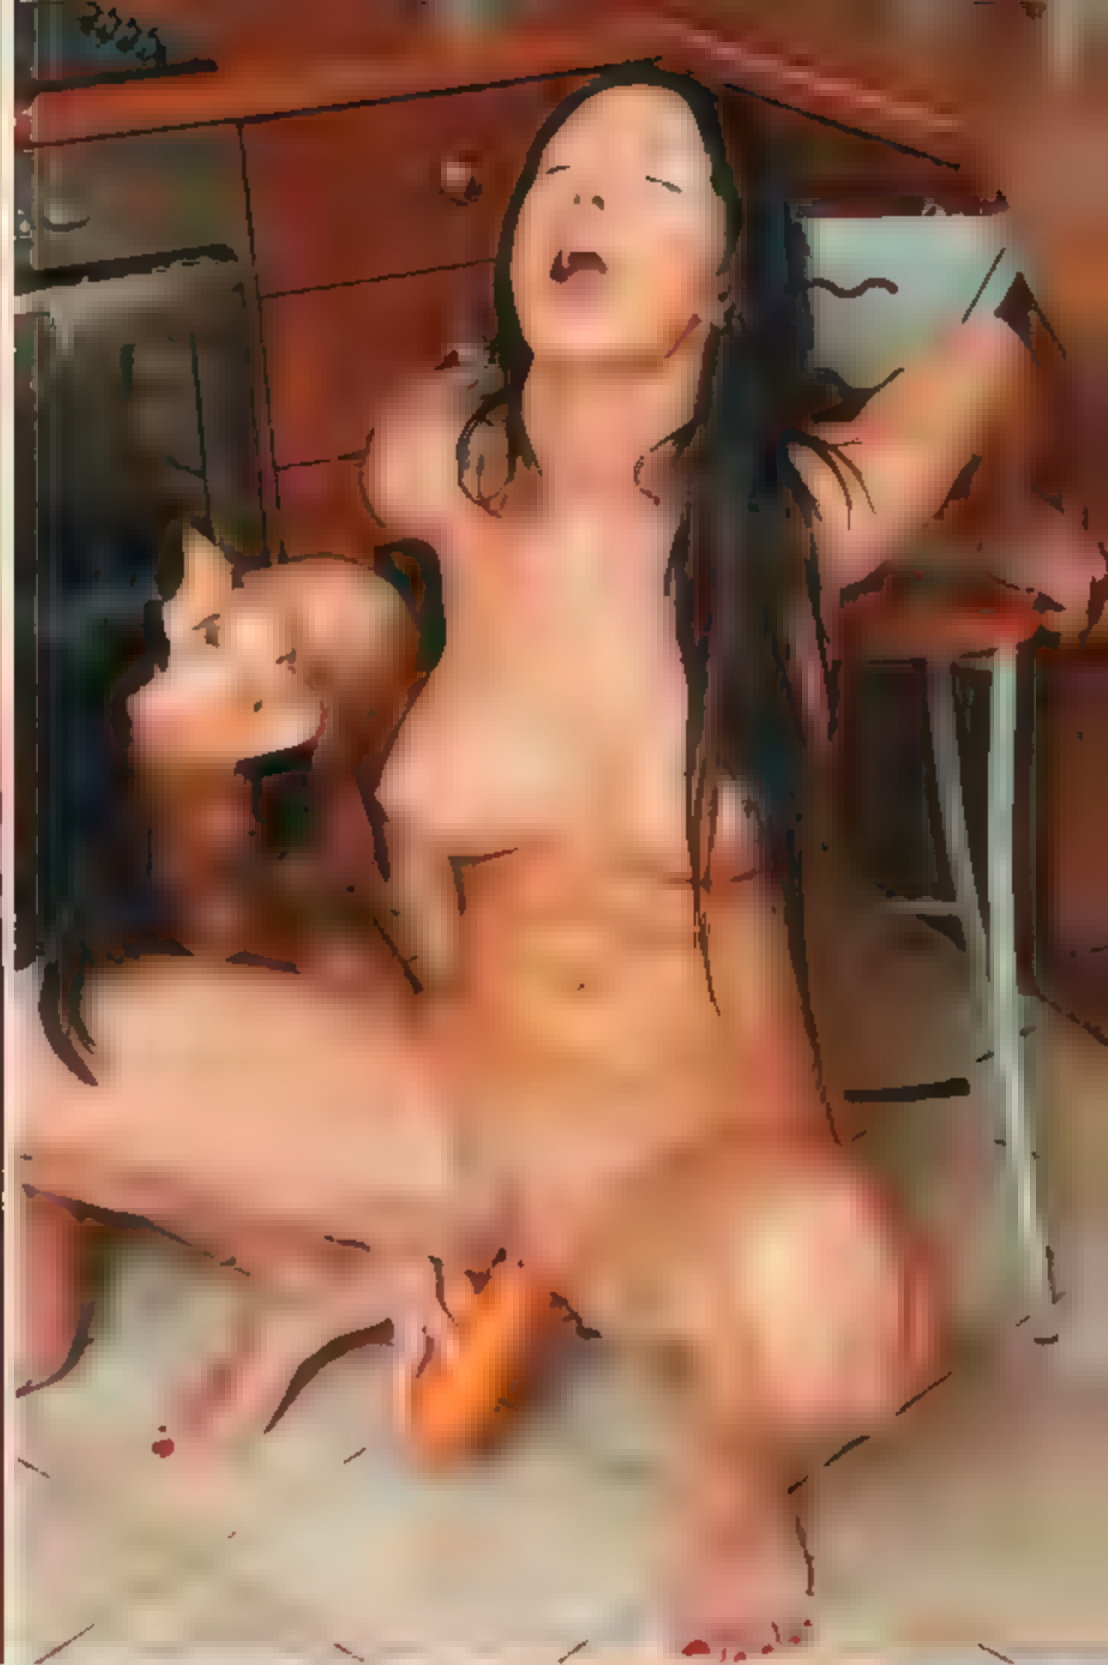

Eating healthy is good for you. Fucking your lesbian lover with a carrot is even better! Now, we're not sure how these babes get any nutritional content by sticking vegetables into their holes, but we are sure that it's fucking hot! In fact, if this was how vegetarian meals were prepared, we're sure 99% of the male population would convert this week. The cool thing is, that while they are practicing vegans, they do cheat by sampling each other's cunt meat. Now that's something everyone can get behind: lots of greens with a side of slit! Hey, it's always good to get your veggies in, right girls?! ♥

KEY	POWER OUTAGE	completely limp and flaccid	⚡ a little tingle, that's about it	⚡ semi-erect
	⚡⚡	not bad, boner-inspiring	⚡⚡⚡ above average, hard and throbbing	⚡⚡⚡⚡ classic! ready to spew!

FIRST CRUSH ⚡⚡⚡⚡

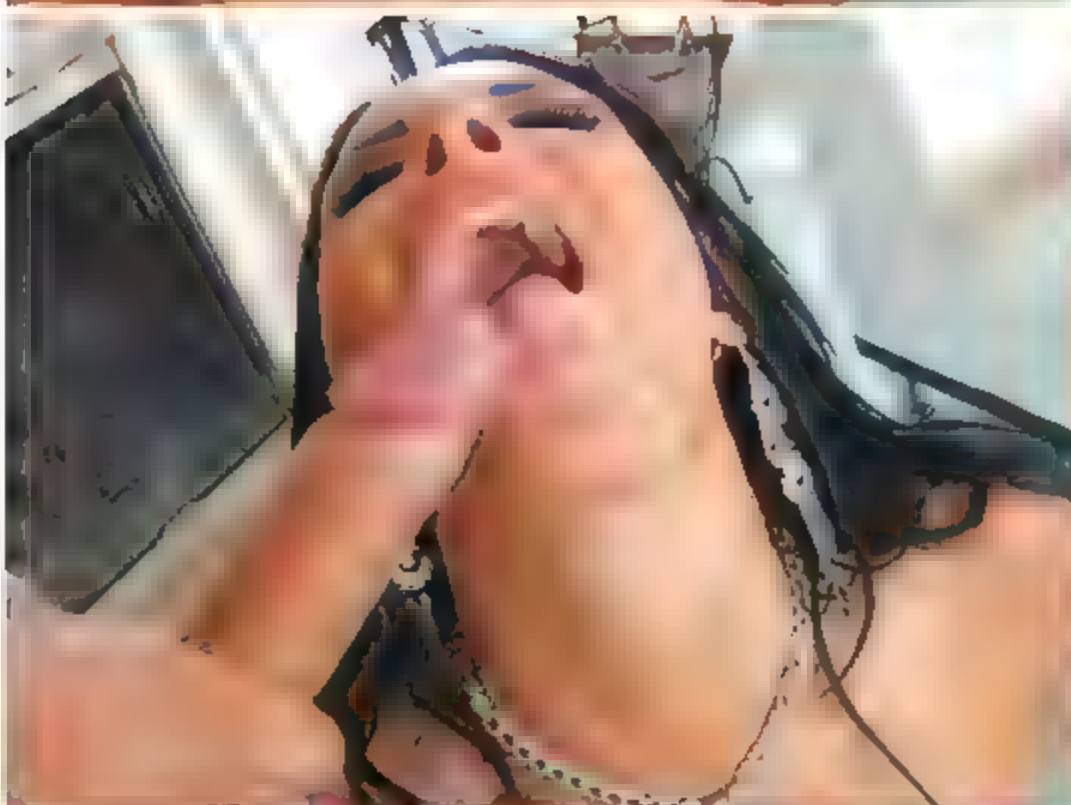

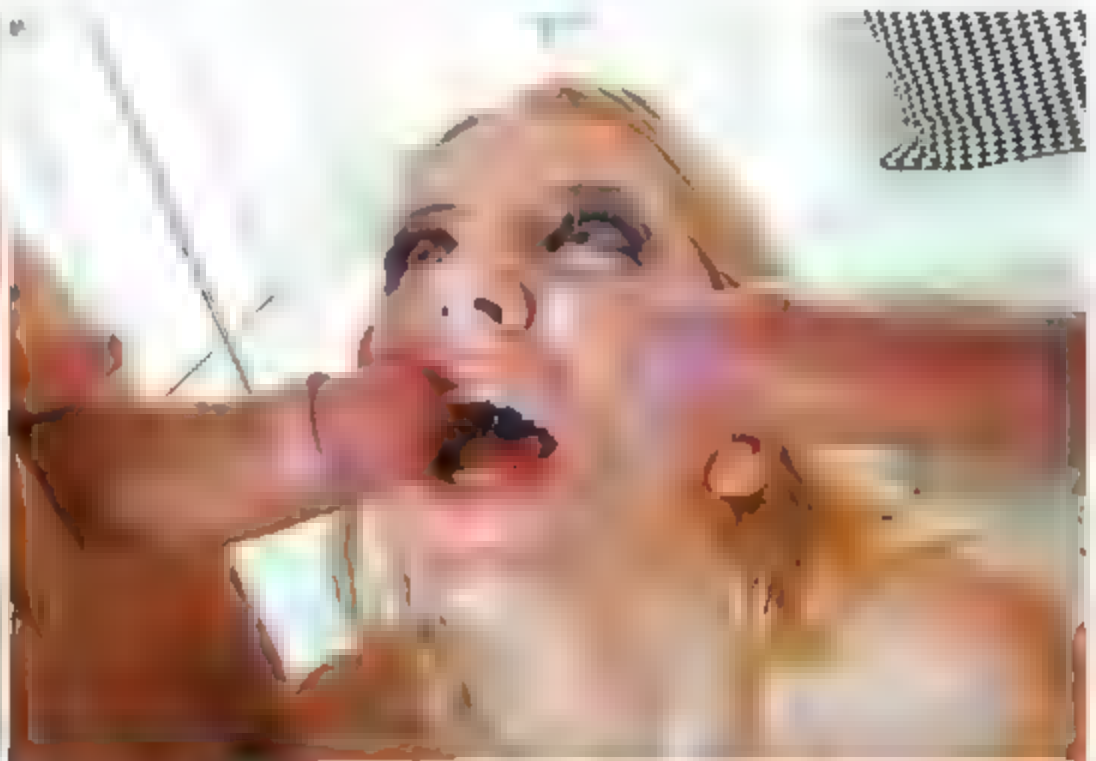

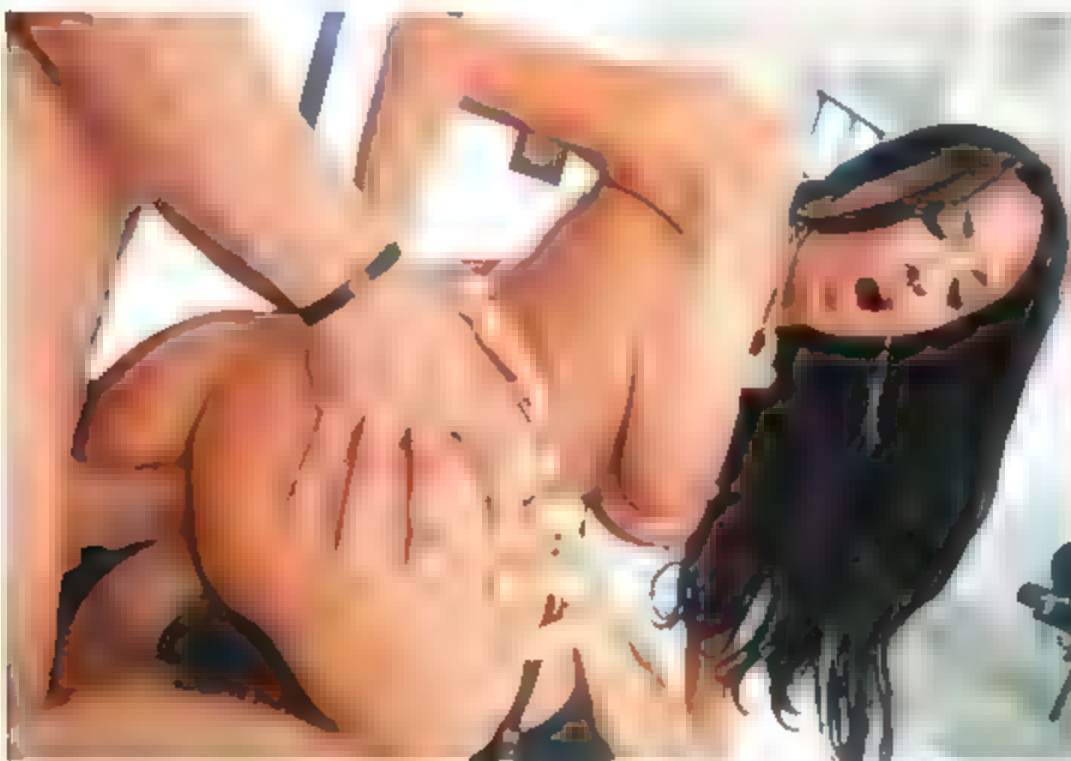

(Wicked Pictures) Starring: Stormy Daniels, Breanne Benson, Celeste Star, Ash Hollywood, Heather Starlet.

In the hopes of reigniting an old flame, Stormy Daniels asks her best friend, Brendon Miller, to accompany her to her high school reunion. Just as the sparks fly, Brendon finds fault in Stormy's rekindled romance and wishes to stake a claim for himself in director Francois Clusot's couple's friendly production. The movie begins with Ash Hollywood inviting Brendon inside for a nightcap. Eagerly lunging toward him, this blonde stunner pleases him with her deep pussy and wet throat. Although a good fuck, Brendon asks Stormy to call with a fake emergency, allowing him a quick getaway. Next, while at the high school reunion, Stormy fantasizes about a love affair with TJ Cummings, the object of her affection. Fucking hard across a white bed, Stormy is put through the paces, doing her best work when on her back in missionary position. As she excuses herself to catch her breath, she locks herself in the bathroom right as Celeste Star and Breanne Benson sneak inside to bury themselves in tits, lips and clits. It's hot! Next, as Stormy's love affair with TJ becomes a reality, she discovers that he's been fucking the dust off Heather Starlet's pussy. What a dog! Finally, as Stormy and Brendon realize their love for one another, they explode in the sexiest encounter of the production.

DP FANATIC 2

(Elegant Angel) Starring: Anissa Kate, Ashley Fires, Holly Michaels, Ava Addams.

Celebrating the sexual art of double penetration, director Grazer really does a bang up job of filling his production full of tasty treats with elastic assholes. Offering four, mouthwatering encounters, there isn't a dud in the bunch. With excellent camerawork and passionate sex, this one is a winner! Ashley Fires begins by climbing a bank of stairs and priming her asshole with a butt plug. Later, Mick Blue and Ramon Nomar replace the toy with real pricks when treating her holes like a pincushion. With a tough act to follow, Anissa Kate does a bang up job of enticing Mick Blue and Ramon Nomar into hardcore action. Smothering both men with her ripe tits and juicy clit, they are more than ready once she waves them in to score on her bases. Ava Addams continues with a butt plug already in place. Having fun tinkering with her undercarriage, Michael Stefano and Mick Blue later rejoice in replacing the toy with their homegrown tools. With insurmountable amounts of chemistry, it's awesome watching Ava get double stuffed and entirely satisfied. Holly Michaels ends the show by masturbating her holes in a swimming pool. The great underwater coverage proves to be a delicious appetizer before the main dish of pretty pink and stuffed stink is served up piping hot!

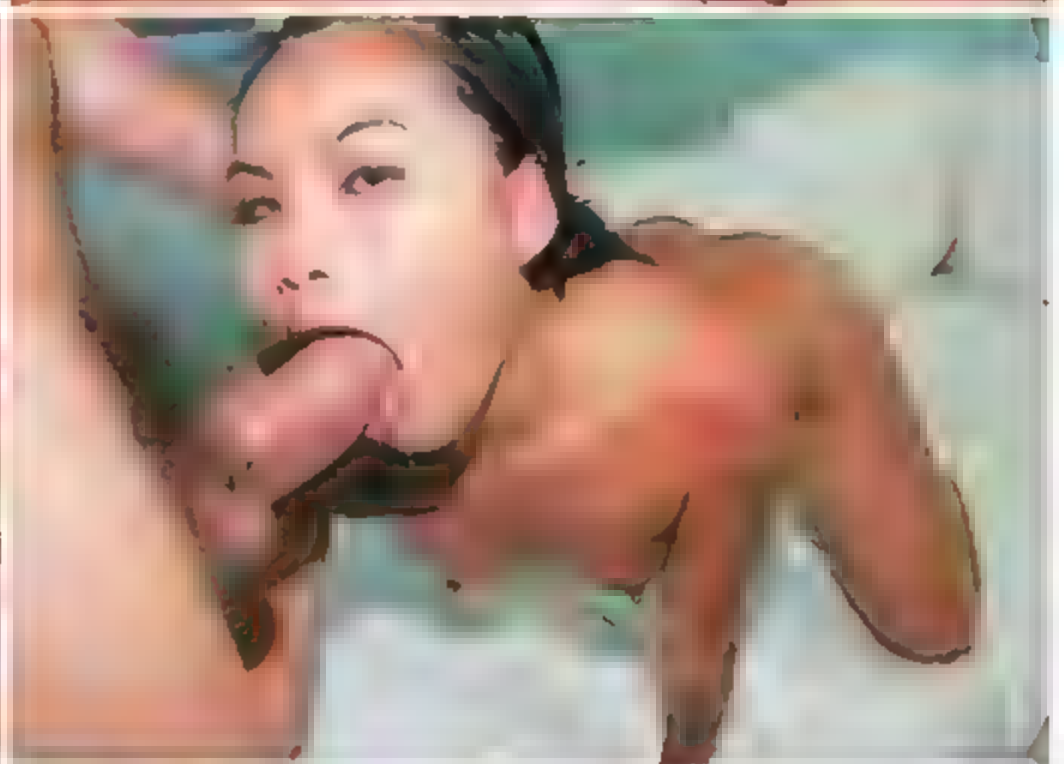

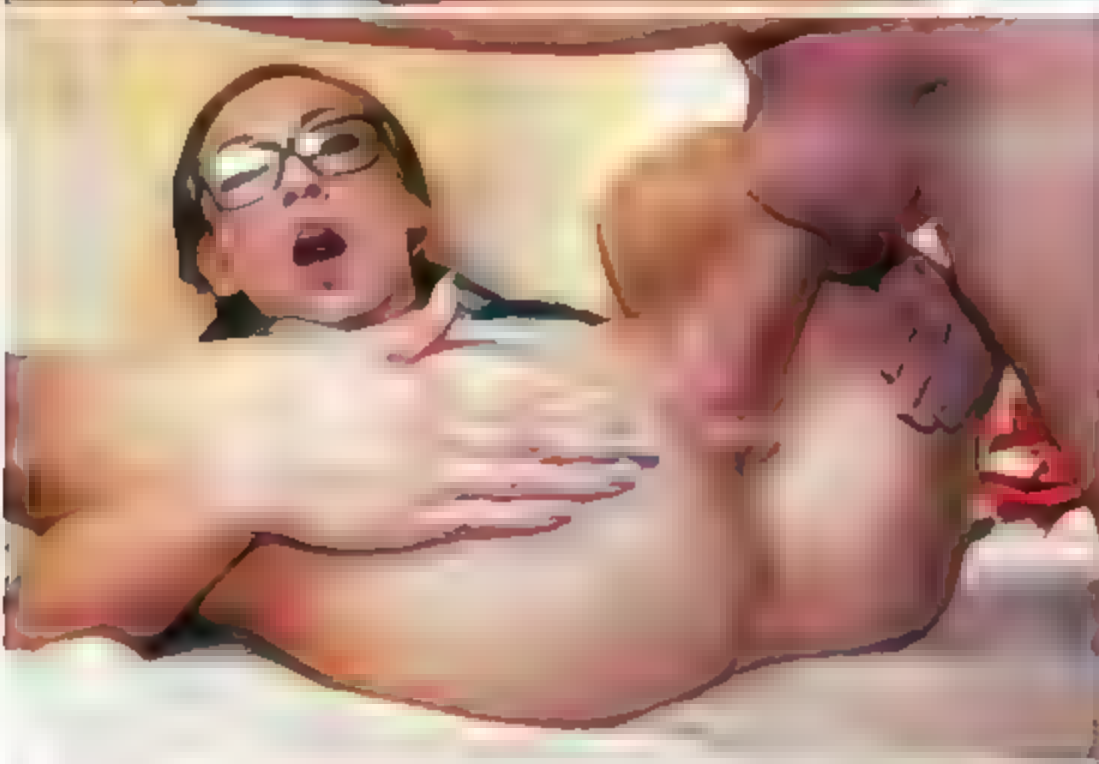

MY LITTLE PANTIES 4 ⚡⚡⚡⚡

(Digital Sin) Starring: Staci Silverstone, Presley Hart, Abby Cross, Sage Evans.

Fully understanding our penchant for tempting teens in pretty panties, ace director Eddie Powell has assembled a fantasy lineup of four sophomore sluts in his latest teen-themed sensation. Featuring bubbly beauties, sexy tease sessions, and plenty of naturally wet pussies, you won't be able to contain yourself once the first pair of panties hits the floor! Eager to show off her purple striped panties, Staci Silverstone begins the show. With perky tits and a perfectly compact pussy, Staci is ridden into the ground like a beat-up jalopy when Ramon Nomar introduces her to hardcore sex. In the next instant, Presley Hart flashes her bubble butt to Mick Blue in the kitchen. Treating her like a rag doll, Mick stuffs her full of sausage until her pussy reddens like a vine ripened tomato. Abby Cross, a cheerleader type, continues the show by wrapping her pretty lips around Bruce Venture's main vein. Demonstrating an enviable aptitude for big dicks, she does her best work in doggie position, with her panties wrapped around her neck. In the end, Ramon Nomar uses skillful precision when hogtying Sage Evans with her panties. After ten minutes of solid drilling, Ramon is given the best reward a man could ever ask for...a squir-TEEN pussy!

BIG DICK IN AN ASIAN CHICK ⚡⚡⚡

[Digital Sin] Starring: Cindy Starfall, Jayden Lee, Mia Rider, Ariel Rose.

It goes without question; Asian chicks with spicy wantons are hot. Giving us a kinky case of yellow fever, director Buster Hump puts these four girls through the paces in a production that will leave you stuffed and satisfied. Cindy Starfall, a gorgeous whoriental with chocolate-brown eyes, is a great way to begin. After teasing the camera with her snack-sized body, Cindy is manhandled by Ramon Nomar. Fucking her hard in doggie, until her pussy trickles, Ramon has fun cracking into this fortune cookie. From here, Jayden Lee nearly steals the show by wearing a slutty schoolgirl uniform. Leaping into action, Erk Everhard spreads the dirty debutant out, commanding her slight frame in a passionate missionary spread before she slurps down his cock like a plate of chow mein noodles! Mia Rider, a well-stacked Asian, continues the show by sucking on her fat nipples. Pulling her apart like a wishbone, Jordan Ash splits her asshole apart when plundering her tiny pucker in reverse cowgirl position. With loads of hot fornic-ASIAN, expect some heavy cream. Last, but certainly not least, Ariel Rose ends the show with Mick Blue. After a sexy solo session, Ariel is smeared across the sofa as trickles from her wet wanton coat their crotches with her sweet soy sauce. Yum!

PROM NIGHT ⚡⚡⚡

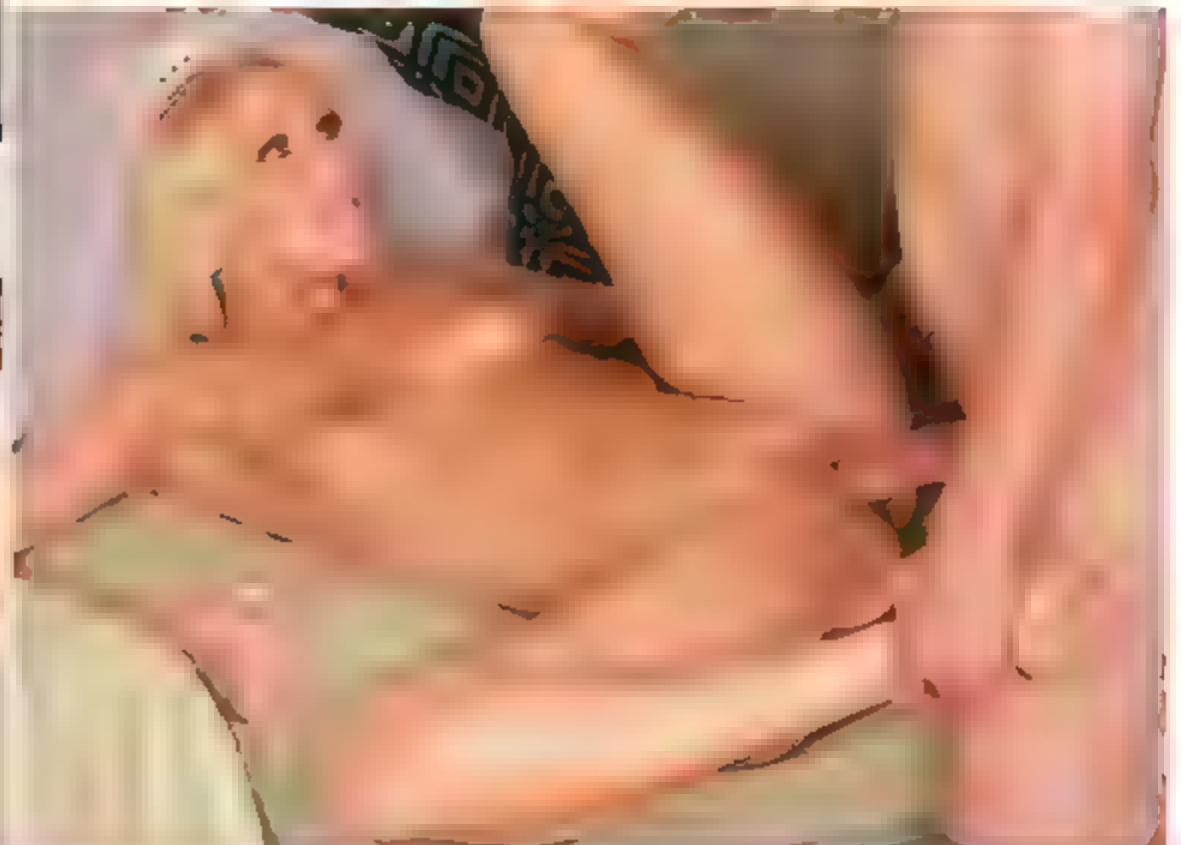

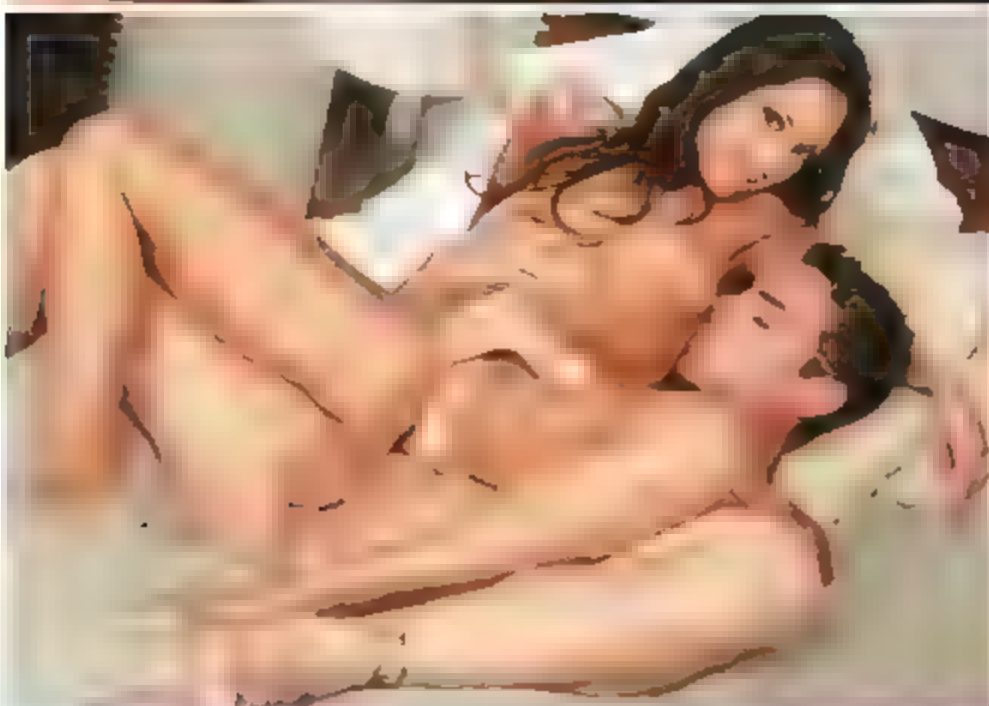

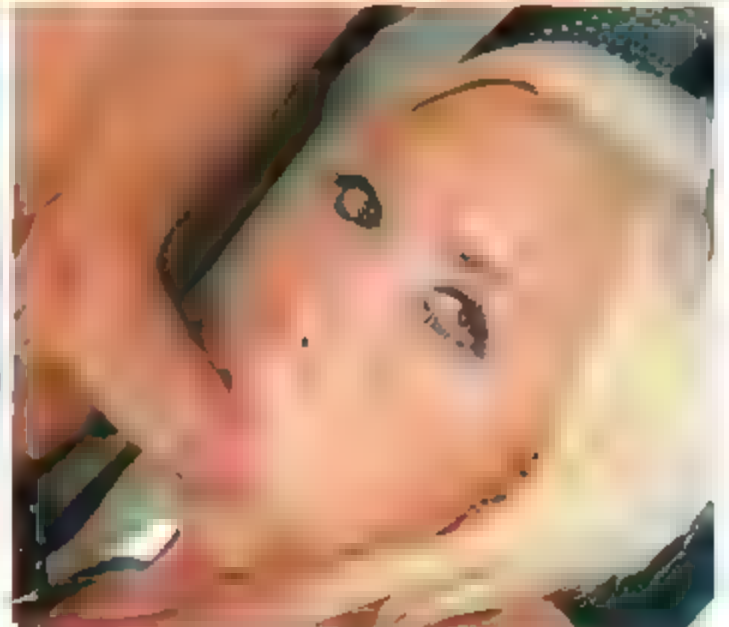

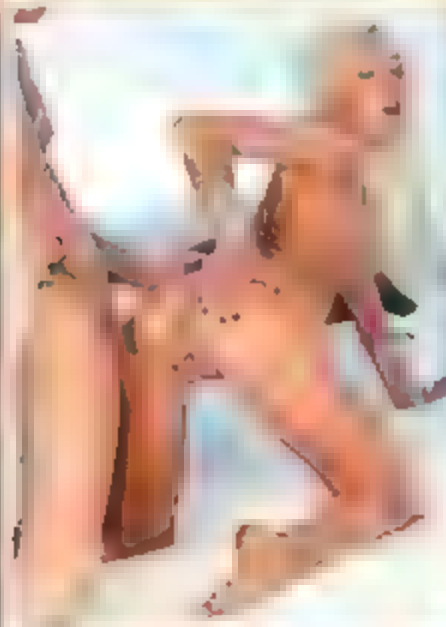

(Zero Tolerance) Starring: Lola Foxx, Abby Cross, Avril Hall, Brooke Fox, Chi Chi Medina.

Following the horny antics of five dirty debutants, as they get ready for prom, director Mike Quasar happily chronicles these sweet birds of youth as they spread their wings and fly. Although nobody actually makes it to the dance, it's awesome watching these girls churn out a night to remember. Avril Hall, a natural blonde, begins the show by teaching Tommy Pistol how to dance. Their up-close action quickly leads to them practicing the horizontal tango as Tommy sticks his finger up her ass and makes her cum in cowgirl position. Next, Anthony Rosano comforts Lola Foxx when he learns she has been jilted. Deciding that the best way to get over somebody is to get under somebody else, Anthony eats out her asshole and forks her pussy in spoon. Also left without a date, Abby Cross asks Mark Wood if he'd take her to the prom. In need of some convincing, Mark has her gag on his cock and spin around his pole to assess whether or not she's prom queen material. Brooke Fox, a bottle blonde with bolt-on tits also has a go with Dane Cross in her bedroom. Although their encounter is good, it's the sexual chemistry percolating between Chi Chi Medina and Mick Blue that really makes the grade.

VIRGIN BRIDES ⚡

(LFP Video) Starring: Alyssa Branch, Trinity St. Clair, Vanessa Cage, Giselle Leon, Maia Davis.

The consummation of naughty nuptials is the main event in director Otto Bauer's latest attraction. Featuring five eye-catching pairings, it's exciting watching these virginal brides collide with their sexy husbands. Although riddled with a few production issues, the overall effects should equate to some decent matrimonial bliss. The movie begins with Ryan Driller carrying Trinity St. Clair across the threshold. Once upstairs, Trinity lavishes her husband with a sloppy blowjob before shoving his cock up her pussy and her ass. Despite some annoying moaning, their scene is still hot. From here, Will Powers romances Alyssa Branch by licking her asshole. She reciprocates with solid oral action of her own before hammering down on his hodge in reverse cowgirl. Definitely acting more virginal than the rest, Vanessa Cage tries to give her love to Eric John despite the noticeable lack of chemistry between them. Their moderate energy continues throughout until a bit of steam is released in doggie position. From here, Billy Glide is a little too aggressive when slamming his salami down Giselle Leon's small mouth and pussy. Trying her best to comply, it just doesn't seem as though these newlyweds are having a good time. In the end, Maia Davis gives Otto Bauer one hell of a workout, proving to be anything but virginal!

pussy plunger

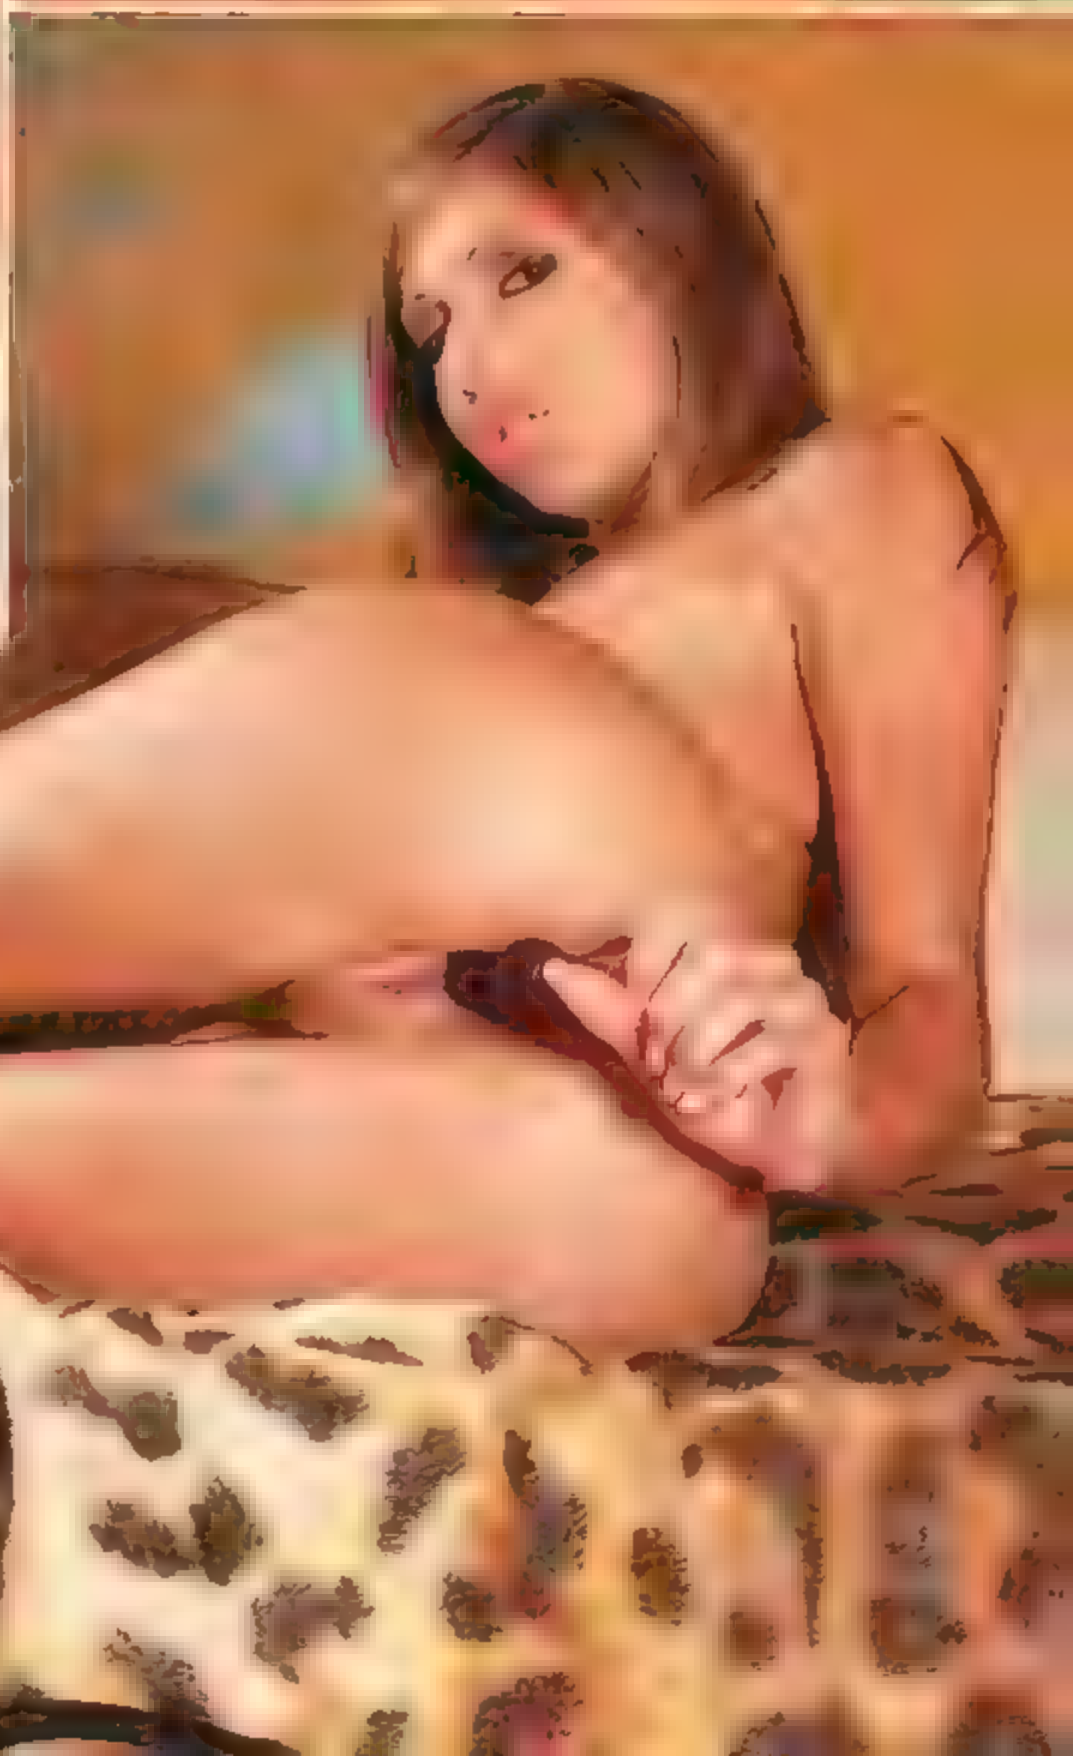

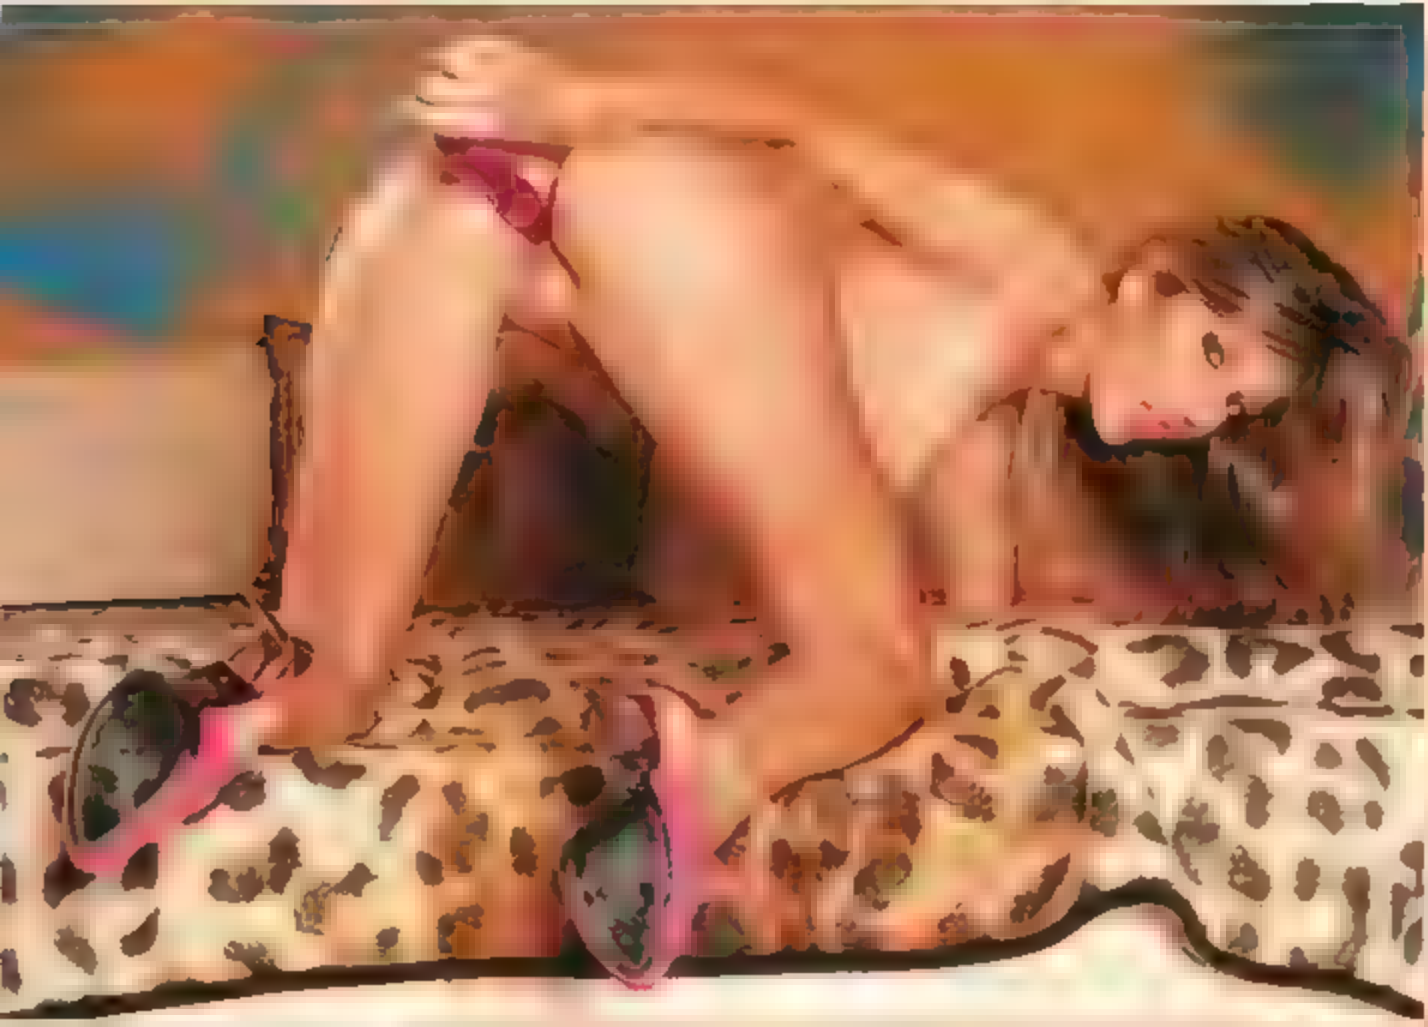

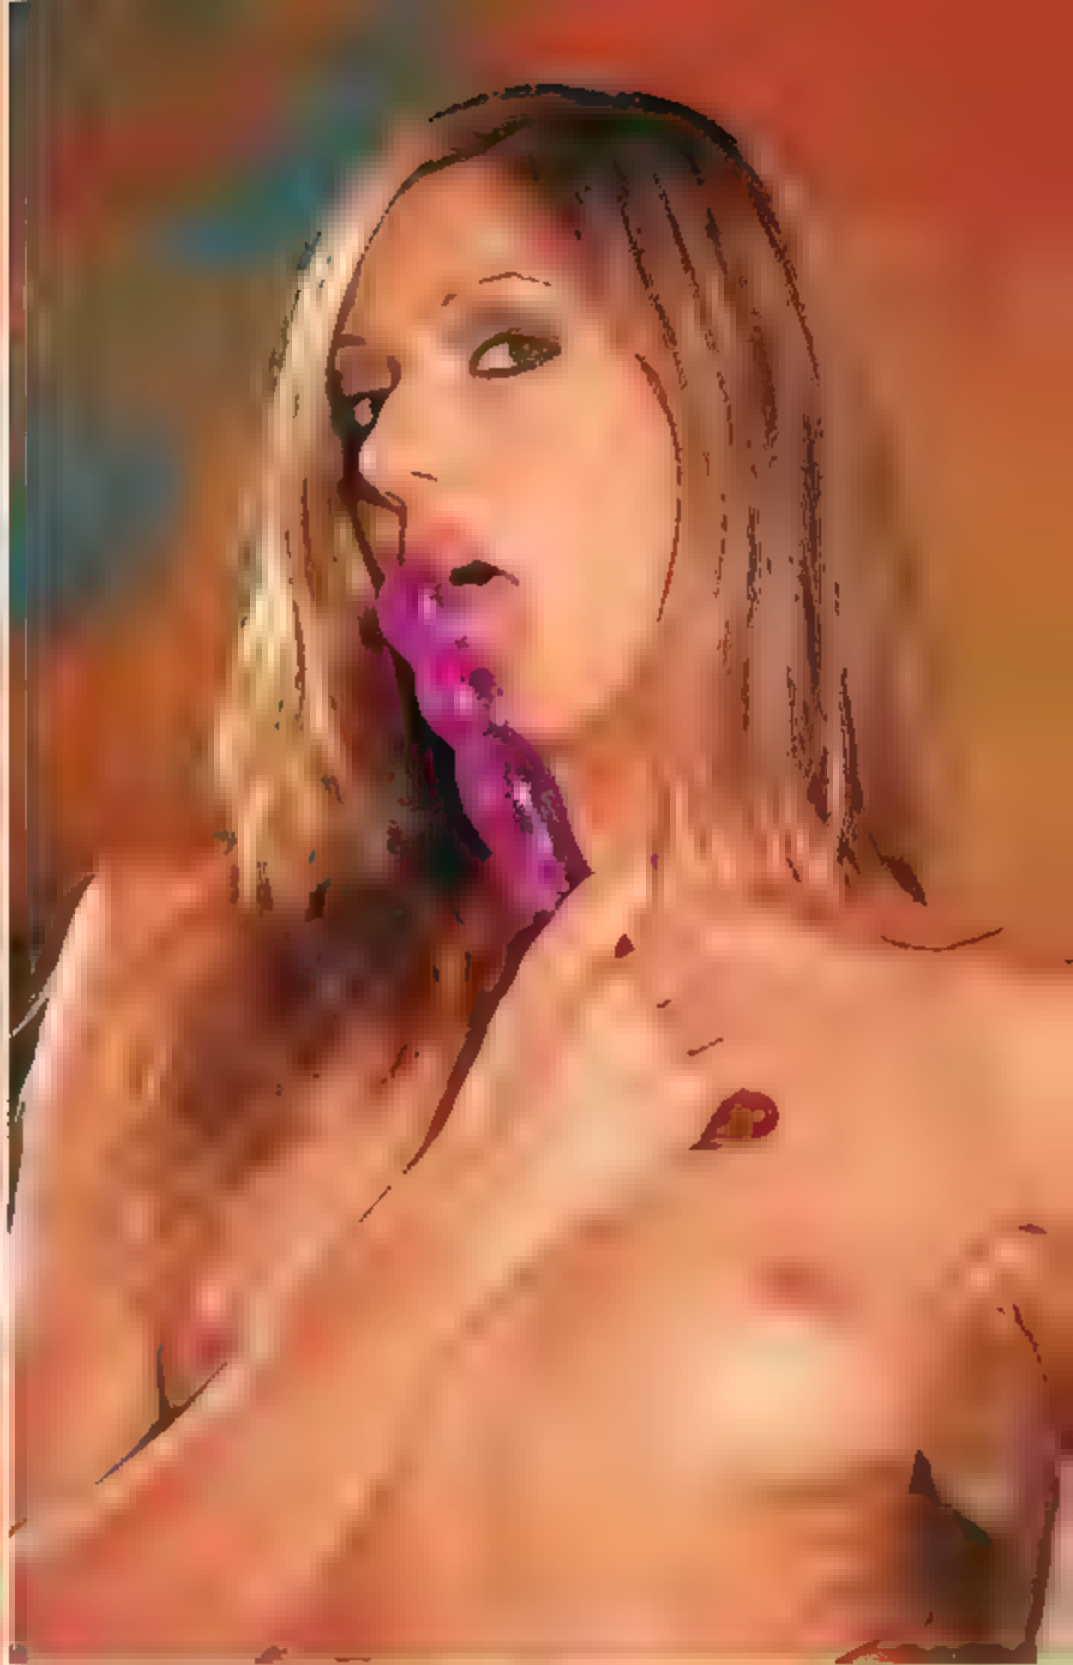

Britney can't keep her fingers out of her tight slit and who could blame her? If you were able to slip a finger or two in there on an hourly basis, wouldn't you? We sure as fuck would! So while Britney slams her kitty into an unbelievable orgasm, we are left holding our dicks thinking of what could be! Of course, that's what gets her off the most! "Having a guy jerking off to me is such a fucking turn on!" Britney admits. "I like to think of you shooting your hot creamy load deep inside my hot wet pussy!" ●

ellenora

no holes barred

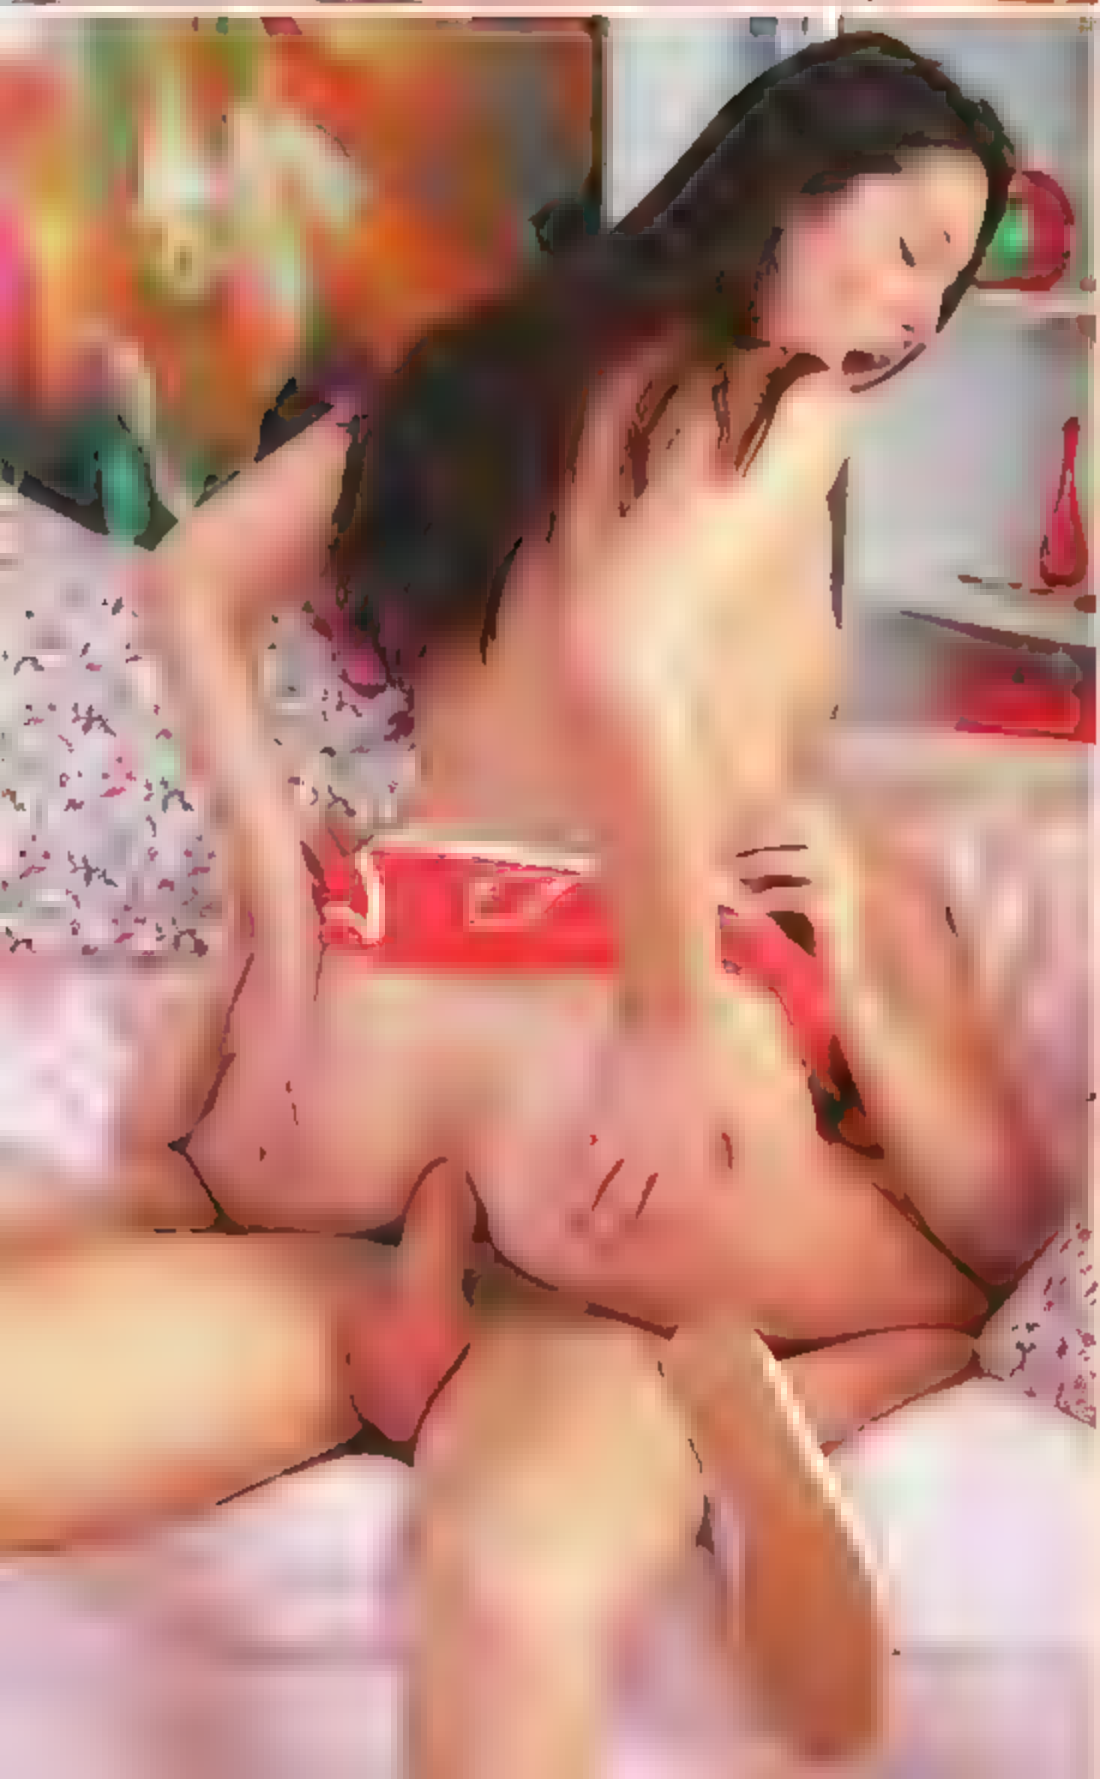

Ellenora is one of those special teens who isn't all caught up in saving her virginity. In fact, she's one of the most cock and cum crazed sluts we've ever met, at least when it comes to her boyfriend. She comes off as totally innocent to others, but when she gets her man alone, every hole is ready to be stuffed! "I love it when Danny eats my pussy," Ellenora confides. "It gets me super horny and I just have to suck his cock! Before you know it, he's balls deep inside my tight cunny and I start cumming like crazy! Lately, I've been letting him fuck my asshole. I love it! The last time, he came right inside my butt and I swear I came twice! When it all dribbled out, I scooped it up with my finger and licked it clean!" She might look innocent, but that asshole full of cum tells a different tale! ●
